STUDENTS OF YEARS 5 & 6 FOR 2017
GUIDE TO LABELLING ALL STUDENT PROPERTY

This year we have reduced the school books required as much as possible for starting the year. At the start of Term 2 another homework book & Science/Health book may be required. Before the new semester starts in July we will review the students’ materials and then issue a top-up list of books which we would hope you would then provide.

For classroom efficiency your student needs to arrive on their first day of school with all items clearly labelled with your student's name and the books & folders labelled with the subject for which each book is used.

### VERY IMPORTANT - FOR PARENT ATTENTION

- Please ensure every item sent to school is clearly named & labelled.
- Technology equipment will be returned home if not appropriately packaged and labelled.
- We have also encouraged students to recycle books and folders where ever possible to save costs.
- All equipment MUST BE STANDARD ITEMS, NOT ORNAMENTAL; rubbers, sharpeners, pencils, memory stick, and highlighters deemed ‘ornamental’ will be sent home
- If your student has accidently brought home the maths text book from last year, please return it to school for further use also.

</tr>
</tbody>
</table>

**NOTE:** Magazine file must be CLEAR NOT COLOURED – WILL be labelled at school. PLEASE DO NOT RECYCLE LAST YEAR’S MOU.

**Clear Magazine storage file.** This is a storage device we call a “ M.O.U “, a mobile organisational storage unit which students use to keep their classroom items for each session in a school day.

**Small, soft pencil case** “Tool Kit” - (no larger than 36 X 15cm is appropriate.) This must fit in an MOU, along with books for each session of the day.

**Additional pencil case** for colouring pencils which will not be required on a daily basis (can be a recycled case which will be stored in school bag or tidy tray or designated area in classroom).
